

True Goodyear Economy in Tires for Small Cars

Built into Goodyear Tires for small cars is a high relative value not exceeded even in the famous Goodyear Cords on the world's highest priced automobiles.

Manufactured in 30x3-, 30x3½- and 31x4-inch sizes by the world's largest tire factory devoted to these sizes, every detail of the work done on them is marked by extraordinary skill and care.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, assure yourself true Goodyear mileage and economy on your car by visiting the nearest Goodyear Service Station Dealer.

Go to him for Goodyear Tires and for Goodyear Heavy Tourist Tubes; there is no surer means to genuine tire satisfaction.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50
30 x 3½ size in waterproof bag

The Important Thing

In fitting glasses is to correctly diagnose the defects of vision. Without correct diagnosis the proper remedy cannot be determined.

We are not merely merchandizing glasses. We have something for sale besides lenses and mountings—and that something is SERVICE. Our oculist is a registered physician and is prepared to render you the very service indicated by your eye-symptoms.
